(A) In Commissioner's D.1908 Ab/. dated 4-12-1924 permission was granted to the Agricultural Department to use the site intended for construction of Assistant Inspector's quarters at Udipi circle as a coconut demonstration farm, a condition on which permission was granted was that it should be handed back to this Department whenever required for the purpose later on. The question of construction of quarters was raised in my D.No.934 of 7 dated 24-5-1935 and the Commissioner in his D.1[illegible].36 dated 25-6-36 ordered that construction should be postponed to some later date about 1938-39.

(B) In his No.1[illegible] Ab/. dated 12-6-35 the Commissioner also stated that the site in question might be in the possession of Agricultural Department till the question of construction of quarters was decided.

(C) Now it is reported that the Deputy Director of Agriculture wanted to sell the land with avenues outside for price but on information that the land should be handed back to this Department he instructed the Local Demonstrator to ask this Department whether it want the site back with the improvements, if so, whether it will [illegible] the plantations etc. the Local Demonstrator requested to be informed whether

xci. Department arts the site back or hetr r the [illegible]
art ort can sell the plot outri lt to any outsid m. copy
f ference from th Dc nstrat r is enclosed for reference. It
i that Commis ioner est Coast Sub Divisio reports that
is poramboke land a i ned to this Departm t for the construc-
tion of Assistant Ins ector's quarters, but it is not being
ral Department a permitted to use it. He also reports that
in view of the Government orders that no expenditure should be
incurred on original works relating to this Department no quarters
will be constructed for the Assistant Inspector and hence there is
no necessity for the plot also. Orders may be issued, if the
Board agrees to hand over the plot to the Agricultural
Department through the Revenue Department or to the Revenue
Department direct who will take necessary action.

(2) Excise Commissioner's Ref. No.4958 Abkari dated 12-6-35 received from the Inspector of Excise, Udipi, with his letter no.ni dated 1-7-35.
(3) R.O. No.C.139/34 dated 24-5-36 from the Dy. Commissioner, Southern Division.
(4) C.No.1130/37 dated 16-3-38 and 24-3-38 of the Dy. Director of Agriculture, VII circle, Tellicherry to me.

Sub:. Government Coconut Demonstration Plot, Udipi - taking Possession of - by the Excise Department.

I have received copies of the above references from the Dputy Director of Agriculture, VII circle, Tellicherry to hand over the site with plants and the building in the Government coconut demonstration plot situated by the side of the Excise bungalow compound to the Excise Department for the construction of quarters for the Assistant Inspector of Excise, early in January 1935. Later in July 1935, the Excise Commissioner ordered that the site may continue to be in possession of the Agricultural Department till the question of the construction of the quarters is decided. Hence, the Agricultural Department has been maintaining it till now.

Now, the Deputy Director, of Agriculture VII circle, Tellicherry in his reference(4) above, has instructed me to report if any one is prepared to purchase the coconut demonstration plot outright for price. In reply, I stated the circumstances under which the Agricultural Department has no right to sell the site in question, as it is to be handed over to the Excise Department when it is no more required by the Agricultural Department. The Deputy Director of Agriculture has therefore instructed me to enquire from you whether the Excise Department wants the site back along with the improvements if so, whether they will keep on the plantation well.

I therefore request you to kindly inform me at an early date, whether the Excise department wants the site back, or, whether the Agricultural Department can sell the plot outright to any outsider.

An early reply is awaited.

Buildings - quarters of Assistant Inspr. Udipi Circle - Return of land by the Agricultural Department -

R.C.R. 494/38 S 16-6-38 from the D.C.S.D.

The D.C.S.D., enclosing a copy of the Udipi Agricultural Demonstrator's letter to the Inspector Udipi reports that the Agricultural department wants to return the Inspector's quarters at Udipi which is a Poramboke land assigned to the department. This plot was given to the Agricultural department to use it as a demonstration farm Cocoanut ~~plot~~ in C.P.R. 4908 Abkr Dated 4-12-1924 on Condition that it must be returned to the Excise department whenever required for Constructing Assistant Inspector's quarters. The Agricultural department requests to be informed whether the Excise department wants the site or whether it can be sold to any outsider as it is no longer required by them.

According to the latest G.O no original work will be Constructed for the Excise department. So, orders may be passed as to whether the plot may be handed over to the Agricultural department through Revenue department or to the Revenue department directed to take the necessary action.

I do not think the time has come to abandon altogether the possibility of contributing grants for the N.I. If the Agri. Dept. does not want it any longer for the purpose for which it was taken - forest & afforestation purposes they should hand it back to the Dept. But apparently some income is obtainable from it and the Dept. ought to be responsible for realising it.

2. The Agri. Dept seems to object that we should pay for the improvements and I do not think such inter-departmental purchases ever made, unless perhaps (to the Trust Dept. Are they?

3. You'd better send this to L.R. for note.

Ref: Members remarks as p 2 above.

The land in question belongs to the Excise Depot. and it was merely temporarily
Mp 7-2' (A) handed over to the Agricultural Depot. for use as the site for a Cocoanut demonstration farm on condition the land should be handed back to the Excise Depot. if required. The Agricultural Depot. has planted Cocoa in the land and the question of the sale of the plot with the Cocoanut plantation is raised now. The orders on the subject of transfers of land between departments of the Provincial Govt. are contained in G.O.s 268 Rev dy 6.2.28 and 1263 Rev dy 1.6.3 (Communicated in Pub. 73 Rev dy 17.6.1935) On the basis of the G.O.s, it would appear that the Excise Depot. need not pay for the Cocoanut plantation inasmuch the land was merely lent but not sold outright to the Agricultural Depot. the Agricultural Depot. has to merely hand back the land with the plantation to the Excise Depot. free of cost.

2/- Incidentally another question

[illegible] be considered. The land in question was assigned to the Excise Dept. for the construction of the Asst Collector's quarters. It is learned from the Dy. Commr's letter at p 2 of flag A that there is no possibility of the construction of quarters in the immediate future. The land should therefore be transferred to the Revenue Dept. in reference to the enclosing portion of paragraph 1 of G.O. No. 268 Rev dt. 6.2.1928

Asst. (Excise)

The Site intended for construction of A.C's quarters Koipi was temporarily handed over to the Agricultural Dept. in C.P.R. 1908 ab dt 4.12.24, to be used as a Co-operative demonstration farm.

As the Agricultural Dept does not require the Site, the local demonstrator wants to know whether the Excise Dept. will take it back or whether the Agricultural Dept can sell it outright to any outside

As the land in question was merely ~~...~~ ent to the Agricultural Dept, that Dept has to return it with the Lantation free of cost to the Excise Dept. According to the Concluding portion of para 1. of Govt No 268 Rev. dt 6.2.1928, the land has to be transferred to the Rev. Dept, as there is no possibility of the Construction of Asst. Inspr's quarters.

The Inspr of Excise Koipi circle maybe asked to address the Agricultural ~~Dept~~ demonstrator in order to take possession of the site from the Agri. cultural Dept, and after taking possession of the same to ~~Govt~~ transfer it to the Rev. Dept for disposal
